## **LEVEL ONE REIKI**

## **TRAINING**

**Saturday, January 11, 2020**  
**9 AM – 5 PM**

Instructed by Reiki Master Ralph Dehner

513-519-0559

*Approved for 7.0 CEUs by the Ohio Occupational Therapy Board*

## **REIKI**

Rei (universal or divine source) Ki (life force or energy) is a generic Japanese term used to describe a healing modality that is present in all cultures and religious traditions. Reiki is a spiritual healing energy. The source of Reiki Energy is the Universal Life Force. Reiki energy flows through the practitioner directly to the client. Reiki promotes body harmony by balancing the different energies on the emotional, mental, physical and spiritual levels.

Reiki...

- Supports the body's natural ability to heal itself.
- Loosens blocked energy patterns and allows them to release.
- Releases stress.
- Releases harmful emotions
- Cleanses the body of toxins and poisons.
- Adjusts itself according to the needs of the client.

### **About the Instructor**

**Ralph Dehner**, BS, COTA/L, CRM has a BS in Holistic Studies/Wellness Management, is a Certified Occupational Therapy Practitioner and is a Master/Teacher of the Usui Shiki Ryoho, Traditional and Modern Methods, Vajarana, Karuna <sup>TM</sup>, and Tibetan Systems of Natural Healing. ## **Reiki Level One**

One Day Intensive – 8 hours  
January 11, 2020

### **Reiki I Content and Objectives**

This one day intensive course will explore the history and theory of Reiki and other energy therapies. Students will learn the proper ethics of touch and intent in the use of Reiki. Each student will receive Attunements to open them up to the flow of universal (Rei) life energy (ki) and practice giving and receiving treatments. Each participant completing the training satisfactorily and will receive a certification as a Level I Reiki Practitioner at that time.

**Class location: 5927 Embassy Drive, Fairfield, OH 45014**

Registration \$150

includes handouts and optional ongoing mentoring session on a monthly basis working with people in recovery or treatment for cancer.
